

Wilcox Oil Superfund Site
Bristow, Oklahoma

\mathcal{N}

comments

- Carl wants all presentations to have the Arial font.
- Did the OSC and RPM provide charts/slides; each team member should cover their portion. The whole team should put the briefing together although you may be the point person for compiling all the slides.
- Need more slides on location; the aerial is good. Can the team add pics of the site from ground level. Carl will also be interested in the church on site. Mark may have some pics from his contractor/state?
- This is carl's first briefing...we need lots of pics.

Background

- 125 Acres located in Bristow, Creek County, Oklahoma
- Comprised of the former Lorraine and Wilcox Oil Refineries . Need a map showing how the refineries are adjacent.
- Operated from 1915 to 1965
- Site includes remnants of oil refining operations and tank farms
- What do we know about each facility, when did they merge? Give the title info

- Give dates on when proposed and listed. Be sure to include Brenda.

Enforcement

- PRP Search projected to be complete April 30, 2014.
put this bullet at the end
- 104(e), Notice Letters issued May 30, 2014
- Give details; you've done more work than this reflects. To whom did you send the letters/volume of responses?
- Use your notes to give some examples of the unique sources we're using and how old the information is. For example the library trip with other EOs to research Moody's.
- Need info on ESS contractor support
- RI/FS Negotiations begin June 2014. be sure you give Larry this info and work with the RPM to update SEMS.

Remedial/Removal Activities

- Site visit planned with ODEQ Week of February 24, 2014.
- Visit will address fence, signs, well, air, and soil exposure.

Site Team

- Bart Canellas, RPM
- Mark Hayes, OSC
- Marvin Benton, Attorney
- Lance Nixon , Enforcement Officer
- Bill Little , CIC
